	Complete the 'How Many' column.		Which are the best and worst months for sales of TV's. Best - May, Worst - March																						
	What name would you give for the middle column?																								
Probability			If you throw a dice what are the total number of possible different outcomes. 6 different outcomes possible																						
	Impossible, Even chance, Unlikely, Certain, Likely. Write the capital of these words in the correct circle on the probability scale above.		What is the chance of throwing a '3', is it 3 out of 6, or 1 out of 6? 1 in 6 or 1/6
