

Sue's A-Z handy tips for staying at home, whilst the Coronavirus lockdown is in force.

Many of you will have been told to isolate at home for a long period, those who are told to shield & those with some underlying health conditions as well as those who are over the age of 70.

Lockdown is not a punishment, so here are a few ideas of what to do with all that time on your hands.

A) Ask for help if you need it.

If you have been identified as extremely vulnerable to COVID-19 by the NHS & need to self-isolate call Warwickshire county council on tel: 08004081447 for support.

Everyone else can call 01926 410410 for advice or visit <https://www.warwickshire.gov.uk/>

Art selfies are a new craze that has really taken off during lockdown, where people imitating, choose their favourite art painting, recreate it and then take a photo. Even if you don't want to take part, you can take a peek at other people's efforts, they are quite good.

It can be found on Twitter the #GettyMuseumChallenge, visit link <http://time.com/5812437/getty-museum-challenge/>

Or why not discover 100 art ideas, visit this link <https://www.youtube.com/watch?v=dICVUGV6Nt4>.

B) Beat your personal best - every day is an opportunity for self-improvement.

Be upbeat have a positive attitude & outlook, it will help you maintain good mental health.

Book club why not join or create a book club either sharing a recommendation and why, or why not have a regular video calls to discuss the same book you are all reading. Don't forget you can post a recommendation on Warwickshire Vision Facebook page. Visit link <https://www.facebook.com/WarksVisSupport/>.

Bedtime stories, grandparents are unable to see their grandchildren at the moment so why not FaceTime and read a bedtime story to them!!

C) Cooking up a storm, why not try a new recipe at <https://www.bbc.co.uk/food/recipes>

The BBC have over 10,000 recipes to choose from, and they have dedicated sections on all types of dietary requirements, cooking's on a budget tutorials programmes to watch, follow and eat healthy suggestions as well.

Clean your oven, you'll thank yourself later!!!

Choir, why not join a virtual choir suitable for people of all abilities they use zoom technology and do 2 sessions a week go online for details. Visit link <https://www.vchoir.co.uk/>

D) Detox, why not cut out, or if you are unable to why not cut down on alcohol, or food stuffs that are high in sugars or fats.

Declutter; this is especially helpful to someone with sight loss & can reduce the number of falls & help to protect the NHS

DIY & Decorating, with plenty of time to do those odd jobs that you keep putting off.

E) Exercise, maintaining a regular routine will help with your mobility & mental wellbeing.

Eat well is an NHS guide you can download for free, by eating healthier diet you not only improve your own health but put less pressure on the NHS. Visit link <http://www.nhs.uk/live-well/eat-well/the-eatwell-guide/>.

F) FaceTime. with friends & family. For those of you with an Apple product who do not have Facetime installed, visit this link <https://apps.apple.com/us/app/facetime/id1110145091>

G) Get out into your garden, listen to the birds; see if you can identify them from their birdsong!

Go to <https://www.woodlandtrust.org.uk/search/?q=bird+songs&p=1> & listen to the distinctive calls & see if you can identify what you can hear in your garden.

H) Home improvements, maybe just as simple as improving the flow through your home so you are less likely to trip or fall or walk into your furniture & belongings, more accidents happen in the home so improving areas that you often walk into or trip over not only keeps you safe but protects the NHS

Hobbies, either enjoy more time on a hobby you already do or why not start a new hobby <https://hobbyhelp.com/> have created a list of hobbies that can be done indoors while you are isolating.

I) Ironing. Catch up on the ironing, you will thank yourself later!!!

Interactive technology, struggling with I.T. devices? Why not visit <https://simplyinformed.uk/> to see if this site provides you with some useful information.

J) Jigsaws, for free online at <https://www.jigsawplanet.com/>, from 12 to 300 pieces hundreds of free jigsaws to choose from. Why not make it fun & complete a jigsaw against the clock or see who is fastest against friends & family.

Top tip, why not try a small jigsaw of 12 pieces until you get the hang of moving the pieces online screen.

K) Keep in touch, phone friends & family or those you've lost contact with.

Keep active, don't fall into unhealthy patterns of behaviour such as being too sedentary.

Why not take a peek at <https://www.sportengland.org/stayinworkout>

L) Learn a new skill. Why not learn a new skill such as a new language just 30 minutes a day in bite size chunks, download a free app <https://www.duolingo.com/> or even learn to sign language at <https://www.duolingo.com/register>

M) Money makeover, here are some useful websites.

Money saving expert has a free tax code calculator so you can see if you are owed a tax rebate.

There is also a benefits calculator it takes approximately 10minutes to complete & is free to use.

Visit Money Savings Expert at <https://www.moneysavingexpert.com/shopping/chat-tips-gold/>

CAB citizen advice bureau <https://www.citizensadvice.org.uk/>
